Regarding PPO for Earl Booth;

I was an investigator with Internal Affairs for the Michigan Dept of Correction from June 2021-June 2023. In January 2022, I was assigned an investigation into the social media conduct of Earl Booth, who was a Corrections Officer at the Receiving and Guidance Center in Jackson, MI. After my interview with Booth, he filed a federal lawsuit against me, the MDOC and Director Washington. This suit is still being handled in Federal court and we were ordered to not have contact with Booth while it goes through the process in court.

Around April 14th, 2023, Earl Booth was placed on stop order and suspended from his work with the MDOC for a Facebook post in which he listed my name specifically along with other names of employees from the MDOC. The Michigan State police went to his home around this time as well to speak to him about his threatening post, which has since been removed from Facebook.

On 6/27/2023, Booth showed up to a court hearing for myself that has nothing to do with him, the MDOC, or my employment with the MDOC. Booth placed his camera in my face, followed me around the court room taking pics inside the hallways of the court as well as video outside the entrance. Booth was within 3 feet of me everywhere I went inside the court, including standing next to me while I sat at a table, sitting across from me at the table, and entering the court room the same time as me to sit across from me. Booth followed me and my attorney out of the court room toward the exit. I went to the restroom and spent approx. 15 minutes inside the court before exiting. When I exited the court, Booth was standing at the exit and filmed me walk to my vehicle. He then proceeded to walk in front of my vehicle and film me through my windshield and then filmed my vehicle as I drove away from the court. Booth posted several of these videos to his personal Facebook page.

Booth is currently suspended for making threats on Facebook in which he specifically mentions my name. he has followed me around at a court hearing that does not pertain to him in an attempt to intimidate me, and I feel that Mr. Booth is harassing me and stalking me. I am fearful for my safety and that of the safety of those around me. I respectfully request that an ex parte PPO be granted against Earl Booth by this honorable court.
